2-5x ROI
Annually due to time saved and revenue generated.

Up to $8M+
Collected annually through Learning Stream payments.

4-5 Hours
Average time saved for staff per course.

Our team spends a third of the time inputting credit card and other registration information. We knew it would be a time saver, but we had no idea it would be this efficient. The customer service is outstanding. I know you don't get that from every company because I work with a lot of different companies. I can call Learning Stream any time.

— **Chuck Sengstock,** Director, Continuing Education & Professional Development Drake University

Learning Stream is ready to take your organization's education and training activities to the next level.
